Cefn Tilla Court, which stands at the end of a long tree-lined drive and surrounded by mature gardens, is one of Monmouthshire's newest and exciting wedding venues.

The magnificent historic home, is privately owned and offers couples exclusive use and a blank canvas to create the wedding of their dreams.

If you are looking for an exclusive-use venue with on-site accommodation ranging from a luxury Shepherd's Hut to a Coach House and bridal suite, private gardens, ceremony license and free parking.

Your wedding, your way...

At Cefn Tilla Court there is no such thing as a standard wedding. We don't repeat the same wedding every week and won't give you a limited menu or select your DJ for you - your wedding is yours to design and build as you wish.

We pride ourselves on allowing you to have the wedding that is unique and as special as you.

When you get married at Cefn Tilla Court, you get exclusive use of the house and the gardens, of which there are 120 acres to explore.

We also have several locations in which you can hold your wedding ceremony itself - You can choose the historical Great Hall, which can seat up to 90 guests or alternatively at the pagoda

overlooking the ornamental lily pond with the Great House as your backdrop.

We also have different options for your wedding reception too. For the smaller reception, you can utilise the Great Hall, whilst for the larger reception you can use our permanent courtyard marquee.

Our courtyard marquee comes complete with our 9 metre bar and use of the historical, Lord Raglan's table which can be used as a top table.

The marquee also includes round tables and oblong tables with Chivari chairs.

If you need something larger, there is also an option to install a marquee on our lawn area too.

Whichever option you prefer, we have a full commercial kitchen area available for your catering team.

Throughout your day we will have our wedding co-ordinator on-hand to liaise with and ensure everything runs smoothly.

For family and guests we also have various on-site accommodation options available.
